*A Dangerous Mind* is a celebration of the ideas and influence of Delbert L. Wiens. It contains tributes to him, essays inspired by him, and some of his unpublished works. This effort has been brought together by his students, colleagues, and friends at the fiftieth anniversary of the publication of his "New Wineskins for Old Wine," which was intended to guide the Mennonite Brethren as they faced the challenges of modernity--and has proven useful for other denominations facing similar transitions.
