

# Para Los Soñadores: For The Dreamers

BRIANNE JANAE VOGT

*Inspired by the Fresno City College Dream Center Ribbon Cutting*

Light catches  
on the lingering dew  
drops perched on leaves

*Besos de la madrugada*

*Besos de vida*

An offering to the rosebud  
tightly closed. A whispered:  
drink,

understand —

darkness and oppression  
are not one and the same.

Embrace the coolness of rest

*Regalo de oscuridad y sombra*

*Regalo de vida*

Light will come;  
it renews daily  
and never truly ends.

Open petals, show your face,  
breathe in the sunbeams.

It is your right;

*Eres un soñador.*
